WHO I AM

Introduction

Bhavdeep is the founder of "KOHLI FINISHING SCHOOL", first of its kind in Moga, a unique place for individuals of all the age groups, to help them transform and make their dreams come true while climbing the ladder of success. Life is a school of live experiences and none of us would agree on that we are perfect and have nothing more to learn. "KOHLI FINISHING SCHOOL" makes you learn what schools never taught you. So it's back to school for children.

We are proud to tell that since our inception, we have been consistently helping, guiding, mentoring, training, grooming and coaching Executives, Business people, Entrepreneurs, Government Officers, College Students, Ladies, Teenagers and those who have been searching for a unique self-identity to stand out in the crowd and create a niche for themselves in their professional and personal sphere. Your elegance needs a statement, poise, style and attention and "KOHLI FINISHING SCHOOL" finishes you for the same.
